

Placement Cell

The main aim of studying in the life of our young students is to acquire knowledge as well as to find a job according to one's ability. To get proper guidance, Students depend on the college Placement Cell for their better future. Keeping these hopes and needs of the students in mind, Placement Cell is working in the college.

To help students in various entrance exams, books are issued under Placement Cell on regular basis

To increase awareness about current issues, various extension lectures are organized inviting speakers from various fields to share their experiences with the students and the students are encouraged to ask questions for a healthy discussion

Placement Cell also organized a Five Day workshop in collaboration with Development and Panchayat Department of Haryana under "Gravit Yojana" in which students were made aware about various schemes of the government available to them. In addition to this the workshop helped the students improve their personality and communication skills

A two day job fair was organized in collaboration with NIIT and IPBI for the recruitment in the ICICI bank as Money Banker. 40 students participated and 6 students appeared for the final interview with one student Harsh offered a job.

Apart from these, many students from the college go for higher studies to pursue their master's and some have successfully landed job as well. Some students from the college also started their small business after completion of their degrees.
